

RINGERS NEEDED

Learn to ring or become active in a fully-graded ringing ministry in Plano, TX. Custer Road UMC is always interested in welcoming new ringers to our seven bell and chime teams. Find your place in one of our ensembles: grade 4 chime choir, bell choirs for 5th graders, middle school and high school, plus beginning, intermediate and advanced bell teams for adults. Handbell Basics Classes begin in September and are repeated throughout the year as needed.
